

RB200
200Amp 3Phase Rubber Box
 Pagoda Style Power Distro

200 AMP Power Distro made of a high impact resistant molded rubber enclosure. *Because the breakers are mounted on the side*, the distro has an integral stacking system to allow up to three boxes to be stacked. Whether your Feed is from a generator or House power, this compact distro offers the solution to your Temporary Power needs. Other and Custom configurations are available upon request.
